ENGAGEMENT ANALYSIS EXAMPLES

Mr. Sharpe has prepared independent analyses and opinions in hundreds of cases. Including the earning capacity of individuals in wrongful termination, personal injury, wrongful death, defamation, product liability, Federal EEO law violations, and other commercial matters in several states.

Examples of Mr. Sharpe's professional experience are listed as follows:

- Cases involving:
 - Self-employed persons to determine the market rate of earnings and the lost profits of the company
 - Executives in public, private, and non-profit organizations
 - Executive compensation committee consulting for publicly traded companies
 - Claims of economic losses related to alleged violations of Federal EEO laws
 - Wrongful termination cases
 - Individualized calculations of worklife expectancy
 - The loss of retirement, pension, Social Security benefits, and employee stock ownership plans
 - Future lost earnings of minors
 - State and federal employees, including schoolteachers, administrators, police officers, and firefighters
 - Wage analysis to determine annual compensation increases for state employee union negotiations
 - Employees belonging to labor unions
 - Members of the United States Armed Forces
 - Private overseas military contractors
 - Private practice physicians, dentists, chiropractors, and other medical professionals
 - Airline pilots
 - Hourly and Salaried workers
 - Students, homemakers, and other persons not participating in the workforce at the time of the incident
 - The analyses of lost earnings for citizens of foreign countries
 - Valuation of the cost of raising children
 - Analyzed disputed compensation and reimbursements of hundreds of independent contracting truck drivers working for a large logistics company
 - Cases when the analysis of large data sets is required to determine economic losses
 - Independent physician financial consulting
 - Prepared calculations related to business disruption insurance claims, lost profits, and bad faith claims in consulting, mediation, and litigation settings
